

THINKING OF RETIRING?

**NO MATTER YOUR LIFE STAGE, VSP® HAS OPTIONS
TO KEEP YOU COVERED.**

Vision coverage doesn't have to end when you retire! You'll enjoy the peace of mind that comes with keeping your eye doctor and saving money with coverage you can buy on your own with a VSP Individual Vision Plan.

VISION COVERAGE DOESN'T HAVE TO END WHEN YOU RETIRE.

You'll get low out-of-pocket costs on glasses and popular lens enhancements like no-line bifocals. Whenever you find yourself without vision coverage, plans are available for you.

Getting coverage when you need it is easy:

1. Visit **continuevsp.com** or call **877.376.8960**.
2. Choose from multiple Individual Vision Plans and select the coverage that's right for you.
3. No need to change eye doctors, you can keep your current VSP network doctor.
4. Enjoy vision coverage that includes an annual eye exam and a generous allowance for frames and/or contacts **every year**.

Plans have exclusions and limitations. For complete details of the coverage, please call **877.376.8960**.
