The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately.
This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.dc16trustfund.org or call 1-800-922-9902. Important Questions	Answers	Why This Matters:
What is the overall deductible?	PPO and Non-PPO providers: **$300**/individual, **$600**/family	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. PPO ACA required preventive care, hearing aids, hospice care, chiropractic services, mental health and chemical dependency services through Beat It!, outpatient prescription drugs, ambulance, and emergency room facility charges.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	Yes. Depending on the dental option you choose, you may have a deductible for dental services under a separate plan. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific deductible amount before the dental plan begins to pay for these services.
What is the out-of-pocket limit for this plan?	Medical plan PPO providers: **$3,500**/individual, **$7,000**/family Outpatient Prescription Drugs (in-network): **$3,100**/individual, **$6,200**/family	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Medical PPO Out-of-Pocket Limit does not include: Premiums, balance-billing charges, charges exceeding the reference-based price, charges in excess of benefit maximums, charges from Non-PPO providers (except emergency services for emergency medical condition), penalties for failure to obtain preauthorization, prescription drug costs, dental and vision expenses, and health care this plan doesn't cover. Prescription Drug Out-of-Pocket Limit does not include: Premiums, balance-billing charges, out-of-network prescription drugs, Non-formulary drugs (unless exception approved), medical, dental and vision expenses.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Important Questions	Answers	Why This Matters:
Will you pay less if you use a network provider?	Yes. See www.anthem.com/ca or call the Trust Fund Office at 1-800-922-9902 for a list of PPO providers. For a list of Anthem Blue Card providers outside of California see www.bluecares.com or call 1-800-810-2583. For mental health and chemical dependency benefits, contact Beat It! at 1-800-828-3939.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No. However, preauthorization from Care Counseling is required to receive the highest level of benefits. Please call Care Counseling at 1-800-999-1999 for more information.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
