DATE: December 2021
TO: All Retired Participants
FROM: Board of Trustees
SUBJECT: Retiree Self-Pay Rates Effective January 2022

The Board of Trustees adopted the new Retiree Self-Pay Rates effective with January 2022 payments for February 2022 coverage. The new Retiree Self-Pay rates are shown on the reverse side of this letter. There is a 25% Plan subsidy for retiree plan costs and Retirees will pay 75% of the cost of their health care benefits.

Payments Through Monthly Pension Deductions:

If your monthly retiree payments are automatically deducted from your Bay Area Painters & Tapers, No CA Glaziers, Architectural Metal & Glass or Resilient Floor Covering monthly pension benefits, your January 2022 pension benefits will reflect the deductions at the increased rate for February 2022 coverage.

Retiree Self-Pay Billing Statements:

If you are sending a check for your monthly retiree payments directly to this office, your January 2022 Retiree self-pay billing statement will reflect the new rate for February 2022 coverage.

If you wish to switch medical plans:

You are allowed to switch medical plans at any time as long as you have been enrolled in your current medical plan for a minimum of twelve (12) months. To switch medical plans, please contact the Trust Fund office at the telephone numbers listed above for an enrollment packet.

IF YOU DO NOT WISH TO CHANGE YOUR MEDICAL SELECTION, NO ACTION IS REQUIRED.

If you have any questions concerning this notice, please contact the Billing Department at the Trust Fund Office toll free at (800) 922-9902.
