Dear Member:

This letter is to inform you that the board of Trustees has gone through a Request for Proposal review of our current Prescription Drug Provider WellDyne. Per that review process of PBM's the board has voted to switch Providers effective January 1, 2023. Effective January 1, 2023 DC16s new PBM carrier will switch from WellDyne to Ingenio/CarelonRx. Although we cannot promise that all transitions are smooth, we are doing our best to ensure your current prescriptions are not affected. Especially Specialty Medications, we will not be forcing any changes upfront.

Please be on the lookout for Welcoming mailings from Ingenio/CarelonRx which will provide very important information, you will receive new Anthem cards by the end of this year with updated phone numbers.

If you have any questions, concerns do not hesitate to reach out to your trust fund office at the contact information above.

Best Regards,

HS&BA, your Trust Fund Office
On behalf of the board of trustees
