Coverage for: Individual + Family | Plan Type: PPO

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately.

This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit <u>www.dc16trustfund.org</u> or call 1-800-922-9902. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms see the Glossary. You can view the Glossary at <u>www.dol.gov/ebsa/healthreform</u> or call 1-800-922-9902 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	PPO and Non-PPO <u>providers</u> : \$1,000 /individual, \$1,000 /family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. PPO ACA required <u>preventive care</u> , chiropractic services, mental health and chemical dependency services through Beat It!, outpatient <u>prescription drugs</u> , and emergency room facility charges.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	Yes. Depending on the dental option you choose, you may have a <u>deductible</u> for dental services under a separate <u>plan</u> . There are no other specific <u>deductibles</u> .	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before the dental <u>plan</u> begins to pay for these services.
What is the <u>out-of-</u> <u>pocket limit</u> for this <u>plan</u> ?	Medical <u>plan</u> PPO <u>providers</u> : \$3,500/individual, \$7,000/family Outpatient <u>Prescription Drugs</u> (in- <u>network</u>): \$3,100/individual, \$6,200/family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket</u> <u>limit</u> ?	Medical PPO <u>Out-of-Pocket Limit</u> does not include: <u>Premiums</u> , <u>balance-billing</u> charges, charges exceeding the reference-based price, charges from Non-PPO <u>providers</u> (except <u>emergency services</u> for <u>emergency medical condition</u>), penalties for failure to obtain <u>preauthorization</u> , <u>prescription drug</u> costs, dental and vision expenses, and health care this <u>plan</u> doesn't cover. <u>Prescription Drug Out-of-Pocket Limit</u> does not include: <u>Premiums</u> , <u>balance-billing</u> charges, <u>out-of-network prescription drugs</u> , non-formulary drugs (unless exception approved), medical expenses, and dental and vision expenses.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network</u> <u>provider</u> ?	Yes. See www.anthem.com/ca for a list of PPO providers . For a list of Anthem Blue Card providers outside of California see www.bluecares.com or call 1-800-810-2583. For mental health and chemical dependency benefits, contact Beat It! at 1-800-828-3939.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a referral to see a specialist?	No. However, <u>preauthorization</u> from Care Counseling is required to receive the highest level of benefits. Please call Care Counseling at 1-800-999-1999 for more information.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
